## Emma rides a wave of spunk and pussy juice on a surfing holiday she'll never forget

Last summer, my best friend Teresa and her boyfriend Ben invited me to go on a surfing holiday to Cornwall with them for a fortnight. It was only Ben who was into surfing, so it was obvious I was there to keep Teresa company.

One morning I knocked on their bedroom door to ask if they wanted some coffee. Ben had left the B&B at the crack of dawn to catch some early waves, and Teresa was under her duvet, complaining that she always woke up feeling cold when he wasn't there for her to snuggle up to. I agreed it was chilly, and she suggested I get into the bed to keep warm, while we drank our coffee together.

We laughed as we sipped it, making some fairly obvious wisecracks, before Teresa asked me if I'd ever been with another woman. I told her I'd gone to bed with a girl I'd known in college, but that I'd been a little drunk at the time.

When I asked her the same question she said she'd had a similar encounter, but that she hadn't liked it all that much. Then she added that she might have enjoyed it better if she'd been a little more sexually experienced at the time.

## "He probed and ground my hot twat with his stiff meat"

We both went quiet for a couple of seconds, as we thought about it all, then we turned to face each other and kissed. Teresa seemed a little tense, but as we kissed more deeply and pulled each other close, her body seemed to relax and go all loose in my arms. We rolled over on the bed so I was on top of Teresa, and I kissed her again on her mouth, then nuzzled my face between her tits through her T-shirt. Getting naked seemed the natural thing to do, so we helped each other out of our night wear.

I usually keep my pussy shaved during the summer – it's cooler and looks better under a swimsuit – and Teresa's eyes widened when she saw it. "Looks tidy, doesn't it?" I said, straddling her body again, so she could take a closer look. "It feels even better," she replied.

I raised her hand and gently stroked it over my labia, and she smiled as her fingertips brushed my smooth skin. I spread my legs so my cunt lips parted, and her fingers slipped in between them. She was still a little cautious, so I took over, humping my fanny against hers, hearing it slurp and squelch as the juices ran out of it and down to soak Teresa's hand.

I could have kept going until I came, but instead I turned around so we were in a sixty-nine. Teresa's pussy was as wet as mine, though most of her juices

had soaked into her full bush. I pushed my face in between her legs and inhaled her musky sex scent, then started to lap at her cunt. Meanwhile I felt her take a few experimental licks at my snatch, and so I thrust my bum back a fraction of an inch so it was right up against her mouth. As I had hoped she licked and sucked me harder, and I could feel the suction as she swallowed my cream. As I began to tongue-fuck her, jabbing in and out, she switched to sucking my clit, rasping her tongue against it.

We were both really going for it now, and as I felt the first stirrings of an orgasm, I also felt Teresa's pussy give tiny spasms. She must have felt it too, as she started to lick me even harder, and in less than a minute her cunt tightened around my tongue. I came just a few seconds later and then we lay down together, Teresa slipping a hand between my thighs to cup my labia.

We had a surprise though – the surf wasn't too good that morning, so Ben had come back to the B&B earlier then we'd expected. I had just started shaving Teresa's pussy when we heard him come in, but I just carried on. When he walked into the bedroom he saw me in between Teresa's legs, with my bum thrust back and my open, suck-swollen cunt peeking out between my cheeks.

Teresa told him he could stay and watch us, and he did, beating his rock-hard meat all the while. He was so horny he looked like he might shoot his load at any second, but he held himself back until I'd finished shaving Teresa. I let him get in between her legs, but as he went to guide his cock inside her fanny, he came, splattering her fresh-shaved mound and pussy lips with a wad of gooey come.

By the time I had lapped up every drop, Teresa was so turned on I had to start licking her out again. I took things slower this time, enjoying every shudder of her body as my tongue hit the spot. After a while I felt Ben's hand on my bum, and shortly after that the tip of his cock stroking over my pussy lips. I moaned and smacked my lips and Ben took the hint, sinking his meat inside my cunt. He probed and ground it with his cock and Teresa whimpered with pleasure as I sucked and pulled on her clit. When both Teresa and I had come, Ben kept on fucking me hard, until he sprayed his spunk all over my back.

The next week, Ben even missed a few surf sessions for sex, which was the biggest compliment he could have paid us!

JEREMY & VICKI
LUCKY FUCKER!

about it often, I never actually believed I would ever go through with it. Jez, however, had other ideas. Last month I celebrated my 30th birthday, something I had been dreading. All day long my husband teased me that he had an extra special present, but I'd have to wait until the evening to find out what it was. After work he told me to get myself dressed up nicely and announced he was treating me to a meal at this really posh restaurant in town. I assumed this was my present because I'd wanted to eat there so many times before, but thought it was a bit extravagant without an occasion to celebrate. When we arrived the waiter showed us to our table, but I thought he'd made some kind of mistake when we found a woman already seated. But Jez didn't flicker and introduced her as Faith. The olive skinned beauty stood up, kissed me lightly on the cheek and, realising I didn't have a clue who

One of the strengths of my marriage to Jeremy is that we have a fantastic sex life. In previous relationships, I'd always found things got stale after the initial excitement had worn off. But even after being married for five years, Jez is still up for anything and it's easy to tell him if I want to try something a little bit different in the bedroom. When we first met he asked me to describe my ultimate fantasy and I didn't hesitate with my answer. Ever since I can remember, I've always been really turned on by the idea of sleeping with another woman and I didn't feel at all embarrassed when he begged me to describe every single detail of my fantasy. I felt so wonderfully dirty telling him what I would do to my female lover and he got so horny that he ended up screwing my brains out! In fact, Jez liked the idea so much that he asked me to repeat my story time and time again, each time resulting in him fucking the arse off me. I really got off on it, not just because I was guaranteed a great shag at the end of it, but also because the thought of going down on a girl made my pussy ache with excitement.

Despite talking

visit www.paulraymond.com

she was, whispered in my ear, "I'm from the agency; I'm your birthday present." Suddenly the whole thing made sense, my heart began racing and I felt way out of my depth.

If Jez realised how much I was panicking, he didn't let on and continued chatting away to our beautiful companion. At first I couldn't look Faith in the eye and felt so conspicuous, imagining everybody in the room knew we'd paid to have a date with another woman. But the escort was a real professional and knew exactly what to say to make me relax. Gradually, with the help of a few glasses of wine, I began to loosen up and a new, wicked sluttish feeling washed over me as I got my head around what we were doing.

By the time the dessert arrived, I was comfortable with Faith and after studying her gorgeous face and curvy body, couldn't help thinking if I was to live out this fantasy with anyone I'd choose her. She must have sensed my loss of inhibitions and leaned over the table, giving me an eyeful of her cleavage, and took hold of my hand. "Happy birthday Vicky, I hope later we can celebrate properly," she said in her velvety voice. Her other hand stroked my thigh under the table and smiling suggestively, she stared into my eyes.

My body tingled all over with excitement throughout that meal, and my husband's approving look seemed to make my fanny juice up all the more. Needless to say we skipped coffee and took a taxi home. Faith and I shared the back seat as my husband sat opposite, watching our every move with great interest. Just before the cab pulled up, Faith asked if she could kiss me. The words sounded so erotic coming from another woman's mouth and when she leaned closer I thought I would pass out with sheer anticipation. Slowly, she traced the shape of my mouth with her tongue – then prised open my lips and slipped her tongue inside. The soft sensation of her skin against mine was amazingly arousing and I gasped for breath, as our French kiss became increasingly passionate. When the car stopped, we both glanced at Jez, who was by then steaming hot with lust. He bent over to pay the cab driver and I spotted Faith eyeing up his bulging trousers. I couldn't wait for the three of us to get inside and, as I fumbled to get my key in lock, I realised my knickers were soaking wet.

## "He begged me to describe my fantasy in great detail"

Once the door was closed, I led Faith to our bedroom, with Jez following close behind. She immediately sat on the end of our bed, opening her legs to flash her white knickers that had become transparent with her pussy juice. She looked like such a slut, showing off her cunt to a couple of total strangers – and it drove me wild. "Go on honey, eat her out," urged Jez, who was now stroking his throbbing cock through his pants. It was just the way I'd always imagined; I wasn't nervous at all and was absolutely desperate to get my tongue inside her snatch. Faith helped me to strip off her clothes before undressing myself swiftly. The sight of his wife getting naked with another woman obviously drove Jez to distraction, and he

him groan loudly before shooting a wad of spunk over my bare buttocks.

When I eventually surfaced from between Faith's legs, I could still smell the aroma

## "My husband used her as a fuck toy while she licked my cunt out"

of her cunt and I realised how desperate I was to come. "Let me return the favour," said Faith, licking my mouth to taste her own juices. In my fantasy my lover didn't go down on me, but by this stage I was ready for

tore down his pants so he could give his prick a good wank. I pushed Faith onto her back and pushed open her legs. Immediately, my nostrils filled with the gorgeous musky scent from her fanny and I lowered my head towards her sex. I studied her neatly shaved mound, carefully opened her plump petals with my fingers. Her clit was already swollen with excitement and her pussy glistened with its sticky lubrication. I savoured the moment before my first taste of cunt, tantalising the three of us, then gently unleashed my tongue onto her labia. I knew exactly what I wanted to do her because I'd pictured it so many times before. I slowly lapped Faith's pussy lips then focused my attention on her pulsating little clit. My tongue flicked backwards and forwards over her stiff button and Faith squealed in delight. I eased my middle finger into her hole while continuing to suck on her clit and she writhed around in ecstasy, grinding her fanny against my face. I could tell she was about to come and bent my finger inside her snatch to hit her G-spot. I could hardly breath as she bucked her hips in ecstasy. "Oh fuck I'm coming, I'm coming," she whimpered. This made my own pussy twitch with excitement and it must have had the same effect on Jez, because I heard

anything. “Sit on my face Vicky,” she ordered. But before I did as she said, I had a wicked idea. “Jez, I want to watch you fuck Faith while I ride on her face,” I told my husband, who had recovered his erection. Unsurprisingly, he didn’t need telling twice and pulled Faith to the edge of the bed, so he could reach her cunt by kneeling on the floor. Squatting over her head, I lowered my pussy onto her tongue and watched in delight as my husband thrust his cock deep into her dripping snatch. It must have been difficult for her to concentrate while Jez fed her his meat, but Faith’s oral technique was mind-blowing.

It felt so dirty rubbing my fanny onto another girl’s face, while my husband also used her as a fuck toy. As her tongue nudged against my pulsating clit, she eased a finger into my tight little arsehole. This always drives me wild and I knew it would only be a matter of seconds before I came. My husband reached up and grabbed hold of my swinging tits, as he drove his prick into Faith’s fanny. The combination of watching him screw someone else and being eaten out by a sexy woman who had her finger up my bum, drove me over the edge. I shuddered as an enormous orgasm shook through my body and Jez squeezed my nipples hard, as he watched in delight. I rolled onto my back and lay there, panting with satisfaction, just in time to see my husband give Faith one final thrust before firing his last ration of cream deep into her cunt.

I have to say Faith was the best ever present. Now I’m looking forward to Jez’s birthday next month so I can treat him to his ultimate fantasy – watching me fuck two women! He’s definitely started something now!

# True Con

## Every girl needs a box of dildos, and an obliging randy neighbour to try them out...

My boyfriend always buys me a special present when he's away on business, which, unfortunately is quite a lot these days.

Such is the size of my collection of toys, I keep them in a big case, which I keep out in my room whenever I'm alone for a few days. Whenever I'm in the mood, I always take a long time deciding which one to rub, fill and fuck my pussy with. I like to go out wearing things under my knickers, too – especially my vibrating butterfly toy, which straps onto my moist clit. I always end up coming at some point, leaking juices all over my underwear – usually in the middle of a restaurant or bar! The orgasm is so intense – heightened, no doubt, by the fact that I'm frightened someone will notice my hips writhing on the chair and guess that I'm climaxing in front of everyone! Anyway, the story I'm going to share is one that even my boyfriend doesn't yet know about.

While he was away for a week in New York, we had a particularly long and sexy phone call. He told me about all the cute girls that were coming on to him, describing what they were wearing and how fit their bodies were. He knew how desperate I was to taste another girl's pussy and teased me about it often. I'd only had a handful of lesbian experiences but had never been lucky enough to lick another girl out. The thought of probing another girl's tight little fanny with my rigid tongue, while she teased her fingers around my pulsating hole, was a complete turn-on.

By now I was feeling very, very horny – my damp and swollen clit ached for attention. I rubbed myself through my panties as we talked, my boyfriend's voice only adding to my desire. The frustration was unbearable, so when we hung up I knew it was time for my favourite toy – The Pussy Diver. This magic vibrator penetrates my pussy to a nice depth, whilst simultaneously massaging my clit. And, all-importantly, it gives me the most fantastic climax.

I was lying on my bed, just starting to relax while rubbing the toy around my lips, when I heard a faint vibrating noise coming from the flat upstairs. The walls and floors were so thin in my building you could hear practically everything! This wasn't the first time I'd heard this and I was now convinced that it must be the girl who lived alone upstairs, masturbating with a vibrator. My imagination ran wild; I pictured her upstairs getting off with her special dildo while I did the same downstairs. My cunt juice had started dripping from my pussy down to my bumhole, leaving a big wet stain on the sheets. I'd seen her about a fair bit and exchanged pleasantries, but had never introduced ourselves or anything. She was quite petite with short black hair and had the prettiest smile. I always felt a few butterflies in my tummy when I saw her, and from hr body language, I had an inkling she may feel the same. Put it this way, it certainly wasn't hard to fantasise about her!

Before I could close my eyes and feel the familiar sensation of the cold, hard, rubber cock sliding into my wet hole, the noise upstairs stopped. I heard her footsteps as she walked across the room, out of her flat and down the stairs. This was followed by a knock at my door.

## "She could hear me fucking my pussy with my sex toys"

I opened it gingerly, to see her standing there in a skimpy white vest top and a pair of matching shortie-briefs. She grinned at me when I peered round the opened door and said, "Hiya! I know we haven't been properly introduced, so I thought I'd pop round and do so! I'm Sammy, by the way!" I returned her grin and held my

hand out for her to shake, "Melissa, umm, Mel!" She looked at me, a twinkle in her eye and said, "I hope you don't mind me being so forward, but I've noticed that your boyfriend is away a lot and I thought that you might appreciate some company. I live on my own, you see!" She shrugged. "Oh, that'd be really nice," I stuttered nervously, "please come in."

She strutted in and saw the vibrator on the bed, next to the large wet patch. "You're being a bit of a naughty girl while your man's away," she said forwardly, moving closer and closer to me as she spoke, stopping within inches from my face, so I could feel her breath. "I know you can hear me playing with myself upstairs. Can't you?" My blushing cheeks told her the answer. "Well, I know about all the naughty things you get up to, too," she continued, "Remember when your boyfriend fucked you from behind on the roof terrace? I was watching from my window. You couldn't get enough of his cock in you, could you? It turned me on so much. Everyone else might not have been able to see you, but I sure as hell could."

I was mesmerised by this sexy woman as she suddenly pushed me back onto the bed, while she grabbed an unused double-ended dildo from my case on the floor. "Now let's see what you can do with this," she said, approaching me slowly.

She wasted no time, gently pushed one end into my moist mound, working it in and out until I was crying with pleasure and begging her to let me come all over it.

Crouching above me on the bed, she fed her shaven pussy with the other end of the dildo. Sharing her toy was such a turn-on and as she leant forward, gasping with pleasure, I licked her hard nipples. We moaned as we bounced up and down on the dildo and I realised that this was my chance to finally taste a dripping fanny.

I pulled the dildo out of her glistening cunt and started nibbling her ears, whispering that I'd never licked a woman out before. This aroused her even more and she pushed my head between her legs and into her sopping wet sex. My tongue circled and flicked her hard love-bud.

Lapping at her fanny-fountain was getting me so worked up that I slid two fingers up my own gushing slit. My hand was coated with juice and I was soon bucking and writhing on my fingers, lost in an orgasmic world. "I'm going to fill your mouth," she moaned and I was surprised as her pussy ejaculated, shooting fluid all over my gasping, upturned face.

## "Lapping at her fanny-fountain got me gushing"

How lucky I was to have my first experience with a person of the same sex with such a hot girl, with such a great tasting pussy that eagerly shot juice into my mouth. The taste of her, combined with her horny moaning, was too much and I climaxed all over my hand.

I wasn't disappointed that she hadn't made me come, as she promised that whenever my boyfriend was away she would come down to help me test out all of my special toys!

# MEL

Dirty housewife Mel takes a moment to show off her freshly bald twat. The newly-denuded Darlington darling wants her fanny to always look its best. "I may be in my thirties but I'm still as lovely and tight as when I was eighteen. Talking of which, are there any young lads out there who want to put their fresh faces in my dirty pussy? You're more than welcome!"

Pictures must be accompanied by a completed readers' wives form (see opposite) and accompanied by 2 forms of ID, at least one of which must be a passport or driver's licence.

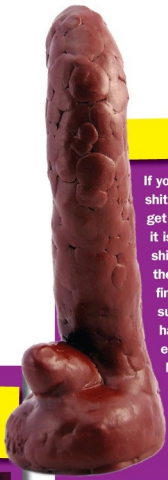
## SEX & MISCHIEF NITRILE COCK RING 3 PACK

Ladies, here's a little something for the man in your life and it won't blow your purse strings open either. You can wear these cock rings all in one go or individually, depending on what feels good for him and helps him last a little longer. Sliding them behind the balls will extend his package making his cock look much bigger. Neither of you will be complaining about that now, will you? The pack contains three stretchy latex and phthalate-free rings measuring 1.5 inches, 1.75 inches and 2 inches in diameter. Remember, cock rings are not just for guys who cum too quick – even the ones that last could always do with an extra few minutes.

*From www.passion8.com, £9.99*

## OXBALLS LOG



If your Mrs moaned at you for getting her a shit gift last year, go one better this year and get her a shit dildo. No, you are not mistaken, it is a dildo made to look like a big stinking shit – charming huh? Thankfully it only mimics the look and not the smell of one of Bungle's fingers. The ladies at Passion8 were not quite sure how this dildo would go down, but they have been flying off the shelf. It even has an extra turdlet for perineal or clitoral stimulation. Made from platinum silicone it'll be slipping in and out of your poop chute with ease. You can even pop it in the dishwasher after, but for God's sake don't get it mixed up with the genuine article you dirty bastards.

*From www.passion8.com, £79.99*

## SHUNGA ORIENTAL BODY SLIDE MASSAGE SET

For the more tame readers hoping for a bit of a seasonal slap 'n' tickle the Body Slide Massage Set is just simply gorgeous sexy fun. It consists of four litres of Champagne & Strawberries scented gel and a sheet. Massage the gel all over your bodies and glide against each other for a seriously sexy roll-about. Don't forget to use the waterproof sheet that comes with the set – believe me you'll need it! I absolutely love this and am pretty sure your other half will too.

*Available from www.passion8.com for £19.99*

## VAJAZZLE KIT

Just in case you have not had your fill of TOWIE you can now Vajazzle your own vadge thanks to this very pretty kit. They come in a dazzling seven colours, are self-adhesive, reusable and really do perk up your pussy. Complete with matching nipple pasties all you need now is a bucket full of fake tan and bingo Essex 'ere you come!

# True Confessions

## Roz goes back to school for a lesson her backside won't be forgetting in a hurry...

As I'm sitting at my desk trying to write this, my boyfriend's fingers are penetrating my pussy. He knows just how turned on I feel whenever I reminisce about our visit to Alexander and he can't help himself. I'm even wearing the same clothes I wore that evening, just to set the mood that little bit more. Even before I begin telling you my story, my juices are flowing freely and his fingers slip easily inside me…

Jarod (my boyfriend) recently persuaded me to visit a professional disciplinarian. He told me that I'd been misbehaving lately and needed some serious punishment that he just wasn't qualified to give me. He told me which clothes to wear, and as I was dressing up and doing my make-up, I heard him on the phone in the next room confirming previously-made arrangements. I started to feel more and more like the naughty little girl he said I'd been.

The outfit he'd told me to dress up in made me feel like a cheap slut – shiny black stilettos, and hold-ups that peeked out below the hem of the short skirt. After we got in the car Jarod blindfolded me to heighten my sense of anticipation.

When we got there, I was taken into a room where my blindfold was taken off. I was surprised because instead of the kinky scene I'd been expecting, there in front of me was a very normal-looking, if handsome, guy offering me a seat. "I am Alexander," he began, "Jarod brought you to this correction centre because you've been a very bad girl. He told me that you've been having indecent thoughts," he informed me.

I knew from the tone of his voice that he was going to get me really wet before he even touched me. "Now stand over in the corner of the room whilst we discuss how best to discipline you." He even made me put my hands on top of my head to stop me touching myself. I felt myself cream all over the gusset of my lace panties as Jarod told him how badly I needed spanking, in order to make me reveal my dirty thoughts to this stranger.

When Alexander was ready, he summoned me over to lie across his lap. He lifted my skirt and gave me a couple of crisp little slaps before pulling my panties down to expose my firm, round bottom. He never pulled my underwear all the way down, preferring to leave them stretched around the bottom of my arse cheeks as he reached down for his cane. I braced myself for the first spank. As the cane hit my skin, the sharp, intense sensation seemed to move straight from my bum cheeks and into my cunt. I loved it. With every stroke of the cane my moans got louder, which made him spank even harder. I caught a glimpse of Jarod across the room, with his prick in his hand, grinning broadly as his eyes focused on my bright red bottom.

By now my cheeks were hot and stinging. I would have come instantly if even the smallest cock was shoved in my slit, but he wasn't going to give me the satisfaction until he had granted me his forgiveness. He made me carry out his orders like a good girl, telling me exactly what he wanted doing and how he wanted me to do it – at one point he ordered me to strip off and crawl on all fours to his 'correction cabinet'

and choose something from the array of whips and paddles. I chose a leather cat o' nine tails, with which he then proceeded to flay my naked breasts and buttocks, before telling me to put it back where I'd found it.

When I returned to my new master's lap he had his cock out, but it wasn't hard. He instructed me to take his soft prick into my mouth and keep it in there until it expanded into my cheeks. I did as I was told and didn't have to wait long for his cock to harden, filling my mouth up. As soon as it did, though, he grabbed a handful of my hair and pulled me away from it, telling me instead to suck his balls.

I did as I was told, sucking each testicle individually, taking them into my mouth and gently sucking before swapping to the other one. After a few minutes of this, he told me to pleasure his cock until he shot his hot liquid down my throat. "If you don't swallow every last drop you'll be in big trouble," he said, guiding my head down towards his waiting tool. Needed no further instruction I greedily gobbled his rigid prick into my mouth, while I softly cupped and rolled his balls with my hand.

When he finally came, I couldn't handle all his spunk and some of it dropped out of my mouth, onto the floor. I instantly knew I would receive a severe penalty, but I also knew that it would involve enormous amounts of pleasure, too, so I wasn't too apprehensive. He motioned for me to lay across his lap again, dipped his fingers into the white drops on the floor and used it to lubricate my clenched arsehole.

He pushed two fingers in and the rest into my pussy, and I almost screamed as he began to pump away with them. My pussy muscles tightened, gripping his fingers as a surging orgasm rippled through my body. My frame trembling, I moaned as he pulled his fingers out and rubbed my juices around my bum cheeks, which by now were covered in red marks. I felt slightly dizzy as I got up and pulled my panties back on, leaning against Jarod for support.

Before I could say a word, though, Jarod blindfolded me again and, after quietly talking to Alexander, directed me back to the car. Unsurprisingly, Jarod then took me home to fuck my brains out, and we had some of the most amazing sex we've had that night!

I didn't have a choice but to remember that sexy experience for days afterwards as every time I sat down my poor arse cheeks would sting, but don't get me wrong – there was definitely pleasure in pain!

LUCKY

and soon my hand crept down inside my knickers. I started to play with myself, ruffling the hairs on my bush and pussy lips, then dipping in between them to tease my clit. I touched myself really gently, delaying fingering my hole for as long as I could stand to. Then, when I let just the one finger stray into it, I felt all the juices that had welled up in it run down my crack. Thinking that nobody was around to see or hear me, I really let myself go, moaning softly and splaying my legs open as I finger-fucked my sopping fanny.

I'd shut my eyes, but just as I was about to come I opened them – and saw two blokes standing watching me. My knickers were soaking wet and, as I'd pulled my gusset to one side, my pussy was on full display. Shocked and embarrassed, I whipped my skirt down to cover myself up. Then I heard one of the blokes say in English, "I've seen her around, she's Simone's friend."

"She would be," said his mate, and they both laughed loudly. I wasn't sure I liked the sound of this, so I asked him what he'd meant by it. He laughed again and explained that a couple of months ago, he and his friend had found out that Simone had been two-timing them with each other. When they'd confronted her, she'd

Hope you don't mind a girl writing to you, but I'm dying to brag about the biggest sexual adventure I've ever had and as I read your mag anyway, writing to you seemed a natural thing to do.

Last summer I visited my pen pal Simone, who lives in a beautiful little village in Italy. In the daytime, while she worked, I kept myself amused exploring the countryside.

One hot afternoon I was doing just that, rambling slowly around the outskirts of village, enjoying the fresh air. When I stopped for a rest in a field, I sat down on a big rock in the shade of a stone wall, enjoying the coolness of the rock against my bum through my thin cotton knickers. It was so quiet, there wasn't a soul around, and it was nice and cool in the shade, so I hitched my skirt right up and spread my thighs, letting my pussy feel the benefit.

When I get this relaxed I start getting turned on too,

just smiled and suggested they all have a threesome together.

They'd been too flabbergasted to argue, and after the first few minutes they'd stopped caring. Simone had spent the whole night sucking and fucking their cocks, going all out to please them, and ever since then, they'd been getting more of the same on a regular basis.

I was amazed. Simone had briefly mentioned having a couple of men in her life, but not that she had been seeing them both at the same time! Not that I blamed her; they were both gorgeous! As we chatted, one of the blokes – Franco – dropped a not-too-discreet hint about me joining them and Simone for a foursome.

At first I wasn't sure about it, but the more I thought about it, the more I liked the idea. I'd have fucked either one of them on his own, so why not both of them at once? After all, it was their fault that I hadn't come while I'd been frigging myself, so I said flirtatiously, and quite directly, that I'd think about a foursome with Simone, but that they had to persuade me first and they also had to bring me off.

A couple of minutes later, after moving to a slightly-less public area, the other bloke – Stefano – was on his back with me riding his cock, while Franco kissed me and rubbed my clit with two fingers. My moans, muffled slightly by Franco's tongue in my mouth, got louder as I got closer to coming. I felt him place my hand

on the crotch of his shorts, so I could feel the bulge of his big, hard prick. After massaging it through the flimsy material for a minute or so, I pulled it out and started playing with it, sliding his foreskin up and down his shaft. Franco groaned and I felt his dick twitch in my hand. I reached further down, taking his balls in my hand and rolling them round, squeezing them gently. I got the feeling that this was Franco's thing, because as I played with his bollocks his dick got harder and harder until he pulled away from me, stood up and positioned his hips near my head, feeding his bulging tool into my waiting mouth. I slurped away at it, relishing the musky taste, taking him as far down my throat as I could before gagging. I was enjoying the moans that he was letting out – the fact that I was pleasuring him so much turned me on even more – and I began using my mouth on him rhythmically now, in time to Stefano's thrusts. I looked

his cock burrowing into my cunt. I clung onto him, each thrust sending a series of waves of ecstasy through my entire body. Sensing I was close, he upped his speed but kept looking into my eyes as I came hard,

the climax making my whole body shudder and my swollen clit throb. Very soon I felt a second warm rush of spunk inside me, and my pussy again rippled tightly around his shaft. I felt a bit like the cat that got the cream!

up at him with my best doe-eyes, knowing that it would drive him crazy – it usually does with men – and I was right. Franco was loving it, grabbing the back of my head with both hands and holding it while he skull-fucked me. Well, he was until I felt Stefano's hips bucking under me, and I let go of Franco's prick, only able to concentrate on the battering I was getting from below, clamping my pussy tight around Stefano's cock as he shot his load inside me.

Obviously slightly annoyed, virtually the second Stefano's body went limp; Franco hauled me off him and lowered me, my pussy dripping spunk and juices, down onto his own prick. Then he laid me back on the grass and took his turn at fucking me. And I wasn't disappointed! Gazing right into my eyes, he slowly and deliberately thrust as deep as he could,

I was due to meet Simone in a café when she finished work that evening, and the two guys came along with me. She didn't look quite as surprised as I'd expected her to when she first saw me with them, which led me to think that she'd already told them about me in advance.

When we all got back to Simone's place, I was right to wonder if I'd get any cock when she got in on the action – not because she hogged the boys' attentions, but because she was too busy licking out my pussy for them to have a chance to get their pricks anywhere near it! This was another surprise – she'd always been quite touchy-feely with me, but always in a friendly rather than a sexy way. Despite having had more than a few affairs with women, I didn't know Simone was into girls, and even if I had I would certainly never have envisaged this! Having her suck on my clit was enough to bring me to an amazing orgasm in just a couple of minutes, and she'd have started all over again if Franco hadn't told her it was my turn to make her come. The guys were obviously enjoying the show, sitting back stroking their own dicks as we performed for them.

Next thing I knew, Simone was kneeling over my face, rubbing her soaking wet pussy against my mouth. I stuck my tongue inside her in a lapping motion and a load of juices gushed out and dribbled down my throat. Then I felt Franco plunge his cock into my soaking fanny in one fell swoop, with no warning at all. This time, though, he raised my legs up on his shoulders for the deepest fuck possible and I was so glad he did! I felt the head of his fat, veiny prick bumping up against the top of my cunt, causing me to moan with pleasure. I was also really getting into eating Simone's pussy, and I must have hit the spot when she started grinding and rubbing it against my lips.

She cried out when she came, juicing a little bit more into my mouth, then shuffled forward to start kissing Franco as he carried on fucking me. Straight away, Stefano, who'd been wanking himself off hard, tilted my head back and fed his cock into my mouth. At this angle he was able to fuck away at my mouth and throat, like he was fucking my pussy, and though he took it slowly and gently I soon tasted the first few drops of spunk. Then he exploded in my mouth, his cock twitching as I sucked down every creamy drop, almost at the same time as his friend pulled out of my pussy and shot his sticky goo all over my stomach.

I stayed on at Simone's for a week, and I had more fun than I've ever had before! Sometimes the boys joined us for some more group fun and other times we just enjoyed a bit of lezzie action on our own. Either way, I can honestly say I have never come so much as I did that holiday and Simone and I are already planning my second visit this summer!
